QUESTIONS?

If you have any questions regarding the conference or competitive events please contact Mr. Jacob Avila, Central Section Director, via email at javila@cafbla.org.

WELCOME

We are working hard to make this year an experience you won't forget! The 2022-2023 edition of the California Awards Program (CAP) will be in effect for all section competitive events. Please check out the latest competitive events guidelines on our state website, cafbla.org.

We are excited that this event will be in person after a year of FBLA online. Please work with your members to ensure they know conference protocol and know all about their competitive events before the conference. This will be a great event and we expect our members and advisers to adhere to the rules in place so everyone feels safe and can enjoy the event. Should you have any questions or concerns, please reach out to me ASAP so they can be addressed.

Once again, this year's CSLC will be utilizing Online Testing for all Objective Tests. **This year we will continue the requirement that all competitors participating in online Objective Tests will need to bring their own device with them to take their online test(s).** Please prepare your members for this so they are ready to go upon arrival at the conference. The final Conference Schedule will be posted the week of the event. As was the case in past years, these Online Testing sessions will be spread out throughout the day to ensure all competitors get a chance to complete their specific events.

Please encourage your members to realize their leadership potential by running for a Central Section Office. This truly is a great opportunity for them to gain valuable leadership skills and to network with members and officers from throughout the section and state. The Central Section Officer Candidate Guide and Application can be found [here](#). Also, be sure to select two members as voting delegates for the section officer's election the day of the section conference.

We encourage you to come and experience the thrill of competition and workshops. Please try to encourage all of your members to compete or to participate in the numerous workshops we have prepared for you. We are looking forward to seeing you in February!

Sincerely,

Jacob Avila
Central Section FBLA, Director
Redwood High School FBLA, Adviser

ONLINE TESTING INFORMATION

GENERAL INFORMATION

All Objective Test Competitive Events will continue to utilize devices that each member is responsible for bringing with them the CSLC. The members device must be charged and able to access the internet on the day of the event. This continued this year due to most schools being 1:1 on devices after last school year. Please prepare your students for this transition and have them check their devices well in advance to ensure they are functional and able to work the day of the Conference.

Utilizing Online Testing will once again allow for a smoother transition to the State Leadership Conference (SLC) as Online Testing should once again be implemented at SLC as well.

Members will login to their assigned computer under the direction of the Adviser Proctors and Administrators and complete the exam in the one-hour time slot provided.

TESTING SESSIONS

Members will be assigned to groups by competitive event and school. Members from the same chapter **MUST** take the specific competitive event during the same session. The Online Testing schedule will be prepared ahead of the conference to help members and advisers the day of the event. Members must test during their assigned time as listed on their nametag and emailed to Advisers the week of the Conference.

CONFLICTS

Members who are in a Performance Event along with an Objective Test Event need to be aware that accommodations will be made to allow members to compete in both events. Scheduling will be difficult with the continued use of Online Testing. Members will be assigned sessions; all information will be found on their nametag and on the final conference program.

ONLINE REGISTRATION INFO (ADVISERS ONLY)

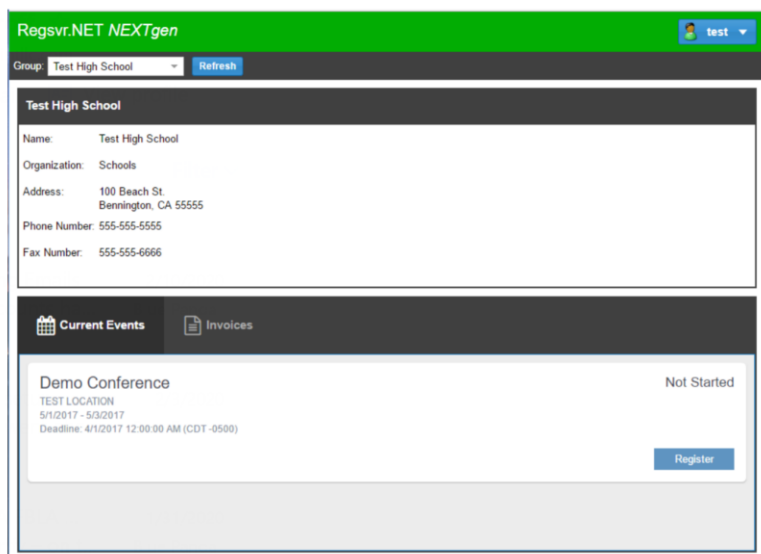

ADVISERS: READ ALL OF BELOW BEFORE LOGGING INTO BLUE PANDA.

Each school chapter has a single username and password to Blue Panda. Make sure all advisers at your school know the password.

Log in at <https://app.gobluepanda.com>. If you have login issues, please email competitive events coordinator Manuel Rapada at mrapada@cafbla.org.

Click “Register” for the 2023 Central Section Leadership Conference.

On the ATTENDEES screen, click the “ADD” button, and, first, register yourself as adviser. On the drop-down list, select the “Adviser” option. Once you do that, you will see editable fields, but they will probably be initially populated with the name of one of your students. Delete that name, and enter your own information and all remaining fields. Register any other adults attending as advisers.

Once advisers are registered, you will begin registering students by switching the drop-down to one of the “Student” options. Middle school chapters should select the "MS Student Participant" registration when registering their students. High school chapter members only should be registered under the attendee type “HS Student Participant.”

ONLINE REGISTRATION INFO (ADVISERS ONLY)

For section and state conferences, only members listed as part of an affiliated chapter may register — and only those names will appear in Blue Panda. If you don't see a name, you will need to go to the national membership database (<https://www.fbla-pbl.org/>), add that member and wait overnight for the databases to sync before the name will appear in Blue Panda.

If you have issues with the national membership database not showing dues payments or if names need to be corrected in spelling, you will need to contact the FBLA National Center, Membership Office (Katera Poma, kpoma@fbla.org, or Eric Jones, ejones@fbla.org, or call 703.860.8210 for Eric or 703.860.5514 for Katera, Eastern Time). Blue Panda system syncs will occur every four hours during the last week before registration closes on January 20, 2023.

Be sure to carefully check and update student grade levels. Students must show proper grade levels in Blue Panda in order to enter grade specific events.

If you have students with special needs, please provide a clear explanation of the student's needs in addition to checking the Special Needs box.

If you have students with dietary requirements, please provide a clear explanation of the student's needs in addition to checking the Dietary box.

For each student, double check spelling (only National Center can fix), grade level and email address (both editable in Blue Panda, and be sure to supply *personal* email addresses for each student so that important notifications will not get caught in school district spam filters.

If you change anything in Blue Panda, please understand that it also needs to be corrected in the national database for future purposes, as the information does not sync the other way.

Once you have a given student registered under "ATTENDEES", you will be able to assign events to them under "COMPETITIONS". In the Competitions module, you have the option to enter students in events either BY EVENT or BY ATTENDEE (toggle top right).

Adding Entries

Add - Select the event and click "Add" (You don't have to click the event first, but it does make it easier)

Tip: Click "Add" to create a registration for each Individual or Team. Once you've added the one Individual or Team, click OK and then click Add to create another.

Edit - Click the "Edit" button next to the registration you wish to edit.

You may log back in to make adjustments any time until January 20 to finally hit the SUBMIT button—but don't forget to do that! Your registration will not be official until the SUBMIT button is pressed for the last time up until **January 20, 2023**.

Even after clicking the final SUBMIT button, you will be able to log back in and edit your registration up until the final deadline on January 20, 2023.

Chapters will receive an e-invoice from California FBLA after registration in Blue Panda closes. Through the e-invoices, chapters are able to see their balance due, and pay via credit card or check.

As payments are received, they will be posted in Blue Panda, so log back in any time to check on balance due status. Be sure, too, that the balance is paid by the due date. Also, be sure that all membership and section dues are paid in the membership system by the due date.

If you have questions, please contact Jacob Avila, Central Section Director, at javila@cafbla.org.

For Blue Panda-specific questions, please contact competitive events coordinator Manuel Rapada at mrapada@cafbla.org. Please include a call back number and good times to call in your message, along with details of your question. Only advisers will be assisted.

REGISTRATION OPENS FOR 2023 CSLC ON DECEMBER 2, 2022

NOTE: Only CHAPTER ADVISERS should be registering members for this event. Do NOT allow students to register your chapter.

ONLINE EVENT SUBMISSION (ADVISERS ONLY)

Advisers will submit materials (documents and/or links) required for certain competitive events using the “Items Due” tool in Blue Panda. As soon as an adviser registers a student for an event with pre-judged material submissions, a **new orange button for “Items Due”** will appear on the conference box immediately after log in to Blue Panda.
